

Just think...

By joining the Carpenter's Club, you'll know that your

donations provide stable, reliable funding towards our efforts to eliminate poverty housing in the Mobile County area.

Choose any amount that you feel comfortable giving and see how the impact of your donation makes a difference in the lives of our Habitat partner families:

\$25 a month adds up to \$300 a year...could buy an EnergyStar water heater for a home!

\$50 a month adds up to \$600 a year...could buy an entire lighting package for a home!

\$100 a month adds up to \$1,200 a year...could buy kitchen cabinets for a home!

You do not have to be a master builder to be a "Carpenter" for Habitat for Humanity. Support for our home

building projects comes from many different people in our community. Some swing a hammer, some pray for and encourage our volunteer builders, some provide us with land on which to build and some give monetary gifts that help make it all possible.

Habitat's definition of a Carpenter's Club member is one who supports the building and repair of simple, decent housing for those in need by making a commitment to contribute every month to ensure a regular source of funds to help us continue our mission.

What would you give up each month to help another Habitat family achieve the dream of homeownership? Maybe one nice dinner, two trips to the movies with a friend or three visits to your local coffee shop per week. The sacrifices are fairly small, but to these families your small donation is a priceless hand-up to help them on their way to a better life through homeownership.

Mission Statement

Habitat for Humanity in Mobile County, Inc. is an ecumenical, Christian housing ministry that seeks to eliminate poverty housing by partnering with the community to make decent shelter a matter of conscience and action.

250 Mobile County Habitat supporters donating just \$25 a month could build one more home each year!

Carpenter's Club

How it Works

Carpenter's Club members pledge to give a certain amount to Habitat for Humanity in Mobile County each month of the calendar year. These funds are used to build more houses with our partner families.

Club members are invited to attend house dedications to celebrate with the homeowner family. Club members can give any amount they wish. What really counts is your commitment to help us eliminate poverty housing in Mobile County.

Some members donate \$25 each month while others donate \$50, \$100 or more.

Regardless of the amount Carpenter's Club members give, they all make a lasting investment in our community and in the future of our homeowner families.

To help us fulfill our mission, please fill out the form and mail it back to Habitat for Humanity in Mobile County or donate through our secure online giving page at www.habitatmobile.org. Click on "Donate Now" from the home page and if you choose to give on an ongoing basis, type "Carpenter's Club" in the Designation box.

Your generosity is greatly appreciated!

Habitat for Humanity in Mobile County invites you to be a tool for change by becoming a part of our Carpenter's Club. By joining this giving club, you will play an important role in eliminating poverty housing in Mobile County.

Habitat wants you to invest in our dream of a community where all God's people have a safe place to call home. Your gift will help us hammer away the worries of families who live in substandard conditions. Your gift will also help us rebuild the hope that these families need, to provide a better future for their children.

Habitat builds a house together *with* our families who will call it home.

Volunteers from throughout the Mobile County area work side by side with each Habitat partner family to help make their dream come true. However, it takes more than just volunteers to build these houses. There must be donors to help us raise the money needed to buy materials for these homes. Here at Habitat, we rely on the generosity of individuals for the majority of our budget. That is why the Carpenter's Club is so important! These donations really make it all possible and by committing to

monthly gifts, you will ensure a regular source of funds to support our mission.
