

2011 Women Build

Join Habitat for Humanity and women in the community to work on the “Women Build” house project.

Who: Women leaders who are passionate about their community.

What: Teams comprised of five members each will help fund and build a house in partnership with a Habitat family.

When: The groundbreaking is scheduled for November 2011. Team registrations are due September 1st and funding due October 1st.

Where: Mobile, AL

Why: Women Build is a program that puts emphasis on women working together to fund and build a house. It’s not about excluding men, it’s about including women!

How to Get Involved: Go to Habitat’s website www.HabitatMobile.org and click the “Women Build” link. Download the “Women Build Team Leader packet” or call the office at (251) 476-7171 for more information.
